BEAVERTON POLICE DEPARTMENT MAKES ARREST IN BOMB THREAT AT SOUTHRIDGE HIGH SCHOOL

The Beaverton Police Department has arrested a fifteen-year old Southridge High School student in connection with a bomb threat on November 9th that led to an evacuation of the school.

Detectives with the Beaverton Police Department conducted a joint investigation with the Federal Bureau of Investigation which culminated in the arrest of sophomore student Daniyel Drambarean.

On November 10th, the Beaverton Police Department prepared and executed a search warrant at Drambarean's residence. Drambarean had emailed the bomb threat to the principal at Southridge High School stating there were multiple bombs in lockers and underneath the bleachers at the football stadium.

Drambarean is charged with multiple counts of Disorderly Conduct, Initiating a False Report and Improper Use of the Emergency Reporting System.

Chief David G. Bishop commended the immediate cooperation of the Federal Bureau of Investigation in assisting the police Department with this investigation.
